Partnering With You for
a Lifetime of Health and
Well-Being

All DFW-area pastors, clergy, laypersons, faith leaders, chaplains, social workers, health promoters and faith community nurses are invited to join us for the 2025 Texas Health Community Hope Faith Summit. The summit will offer encouragement, fellowship, and resources for promoting a lifetime of health and well-being within your ministry and community. Don't miss this opportunity to connect and collaborate with others who serve our faith communities. Breakout sessions will explore mental and behavioral health, improving congregational welfare, and sustaining a thriving health ministry.

KEYNOTE SPEAKER:

Former pastor and renowned speaker Drew Worsham will highlight the summit with a lunchtime keynote presentation that is sure to drive curiosity and inspiration for new possibilities.

We all get stuck sometimes. There are creative solutions that can awaken the tired mind and reenergize the disenchanted heart. The secret? Intentional, strategic collaboration.
