

# Questions about Coronavirus?

Are you concerned that you may have coronavirus? Texas Health's Coronavirus Hotline, staffed by nurses, is available 24/7 to help answer your questions. Call **682-236-7601** anytime to speak with a nurse.

Are you a clinician with clinical questions about a patient who may have coronavirus (COVID-19)? Call the Texas Health Clinician COVID-19 Hotline at **682-236-2101** during regular business hours.

If it is after hours or you are referring a patient you think may have coronavirus to a hospital emergency department please call the emergency department to let them know and ask your patient to wear a mask or wait outside until they can be helped after you call.
