THRIVE

Together Harnessing Resource to give Individuals Resources and Empowerment (THRIVE) NORTH Texas began as an innovative program comprised of a collaboration between Texas Health Resources, Sanger Independent School District, and community-based partners. THRIVE identifies at-risk youth and provides them with opportunity to build resiliency skills by managing an on-campus grocery store. The grocery store is mainly open to students, but open to the public once a week. For more information, please contact JulieWright@TexasHealth.org.
