The ANCC Magnet Recognition Program® is the highest credential a healthcare organization can achieve. A Magnet designation indicates to patients and the public that these organizations have met the most stringent, evidence-based standards of nursing excellence in patient care delivery.

Texas Health Presbyterian Hospital Dallas was designated as a Magnet organization in 2006, 2011, 2016, and 2021 by the ANCC Magnet Recognition Program® and they are now applying for redesignation.
