

Accessing Library E-Resources through WS1

To access the library's databases remotely, you will need to be logged into the WS1 system.

1. Go to: <https://ws1.txhealth.org/>
2. Log in using your THR network username and password. First time users may need to follow prompts to generate a Symantec VIP credential code from a THR networked computer.

3. New users may be asked to download software which is compatible with both PC and MAC computers.
4. Contact the Help Desk (ext. 4357 or 682-236-4357) if you are not able to log in. Sometimes permission needs to be granted.
5. Once you are logged in, you should see a screen that looks similar to the screen below:

6. Click on the Microsoft Internet Explorer icon to access the THR intranet, myTexasHealth.
7. Hover over the 'Clinical' tab and click on 'Medical Libraries'.
 - a. Available resources on this page are under 'Research Databases' and the 'Medical Library Catalog'.
