

FACTS & FIGURES

OUR MISSION

To improve the health of the people in the communities we serve.

Texas Health Resources is a faith-based, nonprofit health system that cares for more patients in North Texas than any other provider. We serve North Texas through primary care and specialty physician practices, hospitals, outpatient facilities, urgent care centers, home health and preventive and fitness services.

CLINICAL CARE

Texas Health is honored to receive accolades for providing outstanding clinical care. As the market share leader, Texas Health is proud that more North Texans choose Texas Health for acute care than any other health system. U.S. News & World Report's Best Hospitals routinely ranks Texas Health hospitals among the best in Dallas-Fort Worth and Texas and in 2021, the Centers for Medicare & Medicaid Services awarded Southwestern Health Resources a quality score of greater than 97 percent. And, we have more CMS-ranked 5-stars hospitals than any other system in North Texas. Texas Health is home to Level I and Level II Trauma facilities, Comprehensive Stroke Care facilities and we are the only facility offering the highest NICU trauma services in the fast-growing Collin County.

COMMUNITY HEALTH

FOUNDATION

The Texas Health Resources Foundation strives to enhance quality patient care by joining with committed community donors to sustain the long-term fiscal viability of Texas Health Resources. The Foundation raises funds that support capital, clinical, community health, educational and research programs across the Texas Health system. Gifts come through endowments, individual giving (including employees), corporations, foundations, community organizations, federal grants and estate plans.
