**Barclay Berdan**

CEO

Texas Health Resources

Berdan previously was senior executive vice president and chief operating officer, having arrived at Texas Health Resources in 1986 as vice president/administrator for Texas Health Harris Methodist Hospital Southwest Fort Worth. He worked with American Medical International for nine years, leading hospitals in Arkansas, Florida and Texas. He also worked at Northwestern Memorial Hospital and Jackson Park Hospital, both in Chicago. He is a board member of Premier and an executive committee member of the Healthcare Leadership Council.

Berdan speaks: "There's simply too much life to live to let our futures be determined by this virus. Let's get this done. Get the shot. Go back to living, with some extra safety precautions. Seek out healthcare and our services and allow us to partner with you so that you can live your best life."
